Ozanam Industries is a  
Special Work of the  
St Vincent de Paul Society

As a Special Work of St Vincent de Paul Society, Ozanam Industries is strongly committed to enhancing the lives of people with disabilities.

With two work centres in Sydney that employ 100 people with disabilities, Ozanam Industries assists large corporates, small to medium sized businesses, government departments and leading banking and financial institutions with their mail fulfilment and packaging requirements.

Ozanam Industries has over 35 years experience in mail fulfilment and general packaging, providing a professional and customer focused service to many of Australia's most respected companies and community groups.

## Partnering with companies that care

Ozanam Industries has a host of business partnerships that enable us to provide employees with fulfilling employment opportunities, whilst continuing to provide professional, reliable and competitively priced services to our valued customers.

## Mail Fulfilment and Packaging

Many companies, government departments and the like, require different forms of mail fulfilment or general packaging. Often it is too expensive and time consuming to perform these tasks in house. Ozanam Industries has two work centres centrally located in West Ryde and Stanmore that are fully equipped and process driven to assist companies with any of their mail fulfilment or packaging requirements.

The range of services that we offer is extensive, including all aspects of mail fulfilment, assembly of show bags and folders for seminars, packaging of nuts, bolts and fasteners and all types of labelling. Ozanam Industries has the experience to get the job done.

## We do it all
